## Mrs. Lois Nardo

For over 15 years, Mrs. Nardo has taught PE/Health at Wilmington High School. There's no doubt that Mrs. Nardo loves her job; her enthusiasm and positive attitude are infectious. Her yoga and zumba classes are very popular. When it comes to staying active, Mrs. Nardo "walks the walk." It seems like she's always up to something or off on an adventure.

If there's anything Mrs. Nardo loves more than WHS, it is skiing and being outdoors. We wish her the best of luck in her retirement. And Mrs. Nardo, we hope you remember to practice "good social health"!

I wish somebody would have told me, babe  
Some day, these will be the good old days

...

Someday soon, your whole life's gonna change  
You'll miss the magic of these good old days

-Good Old Days, Macklemore

Dear Class of 2019,

Congratulations to all of us for making it to graduation! We can't believe that our graduation is here! It feels like just yesterday we were walking into this building as freshmen. Now we walk out as seniors, graduated and onto the next chapter in life. Wherever you may go and whatever you may do, we wish all of you good luck and success in all of your endeavors! Thank you for a great four years here at Wilmington High School!

Sincerely,  
Your Senior Class Officers  
Joe, Brian, Hailey, Sara

**Dr. Brand**

Dear Class of 2019,

While I am saddened by the fact that I have not had the good fortune to really get to know you through your years here, after only having had the pleasure to serve for a year, I must tell you of the fine reputation that precedes you. Your spirit, your character and your commitment to be positive ambassadors for the Wilmington High School and your community is impressive to all who know you. For this it sounds like you will be leaving quite a legacy for years to come here at WHS.

As you prepare to move on and take steps on your future path, please know that you take with you your 'blue and white' pride. With this, know that, in your heart and mind, you will always serve as an extension of this educational community. Keep in mind all the little lessons you have learned, the value that relationships bring and the wisdom to know that it is your interactions with people around you that are the most important. That emblematic motto of 'Work Hard, Be Kind' is simple enough but oh, so important toward achieving your personal best in life.

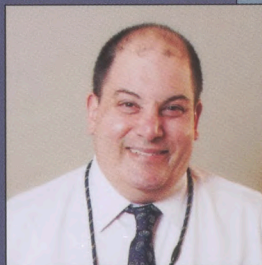

I wish you all the very best today, tomorrow and in your future that I know is bright and promising!

Sincerely,  
Glenn Brand, Ed.D.  
Superintendent of Schools

**Mr. Phillips**

Congratulations class of 2019. We are honored and proud to be a part of your senior year. The wonderful thing about being assistant principals is that we have the opportunity to interact with you all in so many different ways. Sometimes, the interactions aren't always for the best reasons, but we always leave them with good impressions of you as people, as students, and as mature adults. Whether we're haranguing you about turning in your Senior Exploration papers or cheering for you as you take the court or standing in ovation as you walk onto the stage, we know that you will handle every situation maturely and give it the care and attention it deserves. You are great people, and you'll do great things!

**Mr. Merenda**

To the class of 2020 and beyond: work hard, be kind and care for others. You, too, will find great things ahead of you.

Sincerely,  
Christopher Phillips and Jonathan Merenda  
Assistant Principals

### A Message to the Class of 2019

**Miss Peters**

There is little in my life that means more to me than being a part of the Wilmington High School community. I have you, my students, to thank for that. Your warm greetings in the morning when you enter the building, your beautiful smiles, your waves hello when passing me in the halls, stopping by my office for a little extra help, or to ask a question, or just to chat – I cherish all of that.

It has been a pleasure, working with you over the past four years. We have shared our thoughts, our feelings, our good times and our sometimes not so good times. Some of my most memorable moments come from the times we have had conversations, even the times when the conversations were difficult and the circumstances challenging. I learned a lot from talking to you. Many times, probably without even realizing it, you lifted my spirits and helped me to remember why I love to come to school every day. I hope that I have been able to help you as you have journeyed through WHS, through both the challenging times and the fun times.

Learning math or how to write a research paper or speak a foreign language may have been a big part of your four years at WHS. But I have seen so much more from you. You have learned how to make decisions and take responsibility for those decisions. You have learned how to win with class and lose with dignity. You have learned to laugh at yourself and stand up for others. You and I have all learned that it is okay to give someone a second chance. You and I have all come to realize that we can learn a lot from making a mistake. And most importantly, I believe that we have all learned how to make a difference.

Thank you...thank you...thank you...It has been an honor and a privilege to have been able to come to know you as I have over the past four years. You have an amazing spirit and an energy that has defined you as an awesome group of young people.

If I could offer you any advice as you leave WHS, I would tell you to find something to do that you love. If you have a dream, follow it. If you have a talent, pursue it. If you can, give. You have much to offer. Life is beautiful especially if you love what you do. You have made me love what I do. I can never thank you enough for that. As you begin a new journey beyond WHS, I wish for you every success, every happiness, everything good in your future. Be sure to know that we are always here to celebrate your success and help you along the way. You are and always will be part of the WHS family.

Take care of yourself. Take care of each other.

Miss Peters

# ? Senior Survey

We picked **19** of our favorite questions to ask the **Class of 2019**.

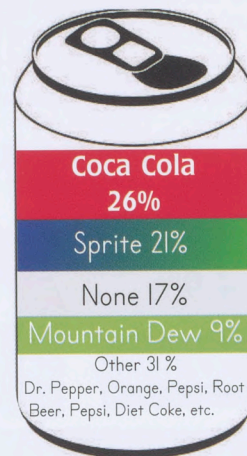

Their answers are compiled on these pages. There are also several answers scattered throughout the book. Look for the question mark icon to find the others!

? How do you feel about graduating?

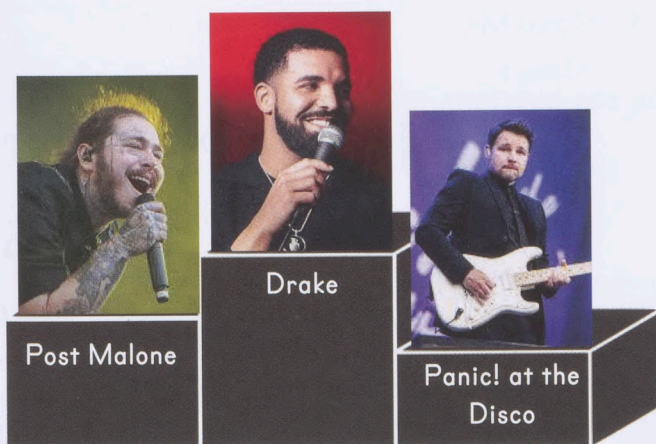

Seniors had many overlapping emotions about graduation, but the large majority of seniors said they are excited! Don't worry, wildcats! You got this!

? What's your favorite soda?

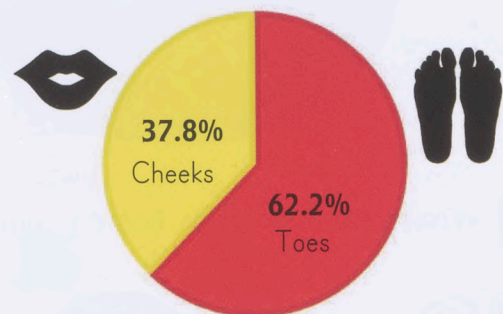

More than a quarter of the class prefers Coke, but 17% said they do not drink soda at all. With soda sales dropping every year since 2004, it makes sense that 17% of the Class said they're sticking to water.

? If you could choose a famous musician (individual or group) to give a concert at WHS, who would it be?

The Class of 2019 listed more than 60 different artists that they would invite to perform at WHS. Reflecting the varied musical tastes of the class, responses came from every major music genre. The top three were Drake (13 votes), Post Malone (12) and Panic! at the Disco (8).

? Which is worse: accidentally biting your cheek or stubbing your toe?

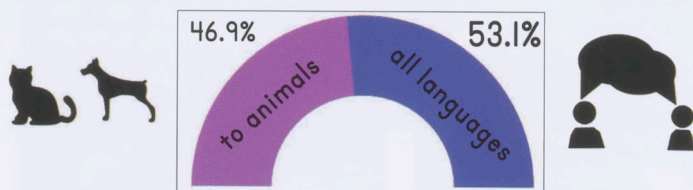

We thought this one would be a toss-up, but it turns out, the Class of 2019 really hates stubbing their toes. Biting your cheek was a far second in the race for the title of which is worse!

Seniors: Did your parent write a message to you that is published in the yearbook? Check the parent ad section at the back to find out!

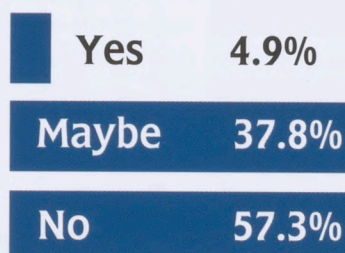

**?** Would you rather be able to speak all languages or speak to animals?

We were watching this one closely. The results flip-flopped several times while the survey was open, but the Class of 2019 would rather be able to talk to all humans rather than all animals! It turns out, speaking whale isn't a priority.

**?** Do you want to live in Wilmington when you're older?

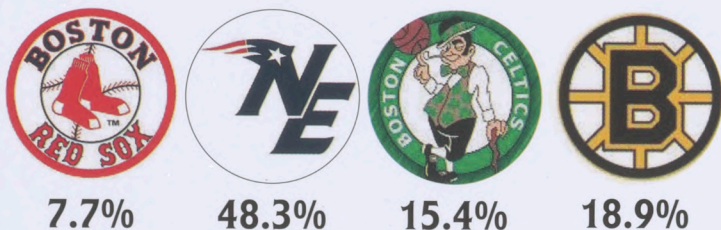

**?** Which restaurant makes the best pizza in Wilmington?

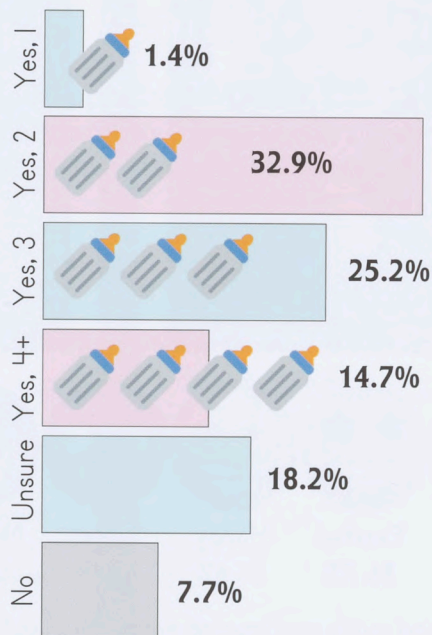

1. AJ's
2. Wilmington House of Pizza
3. Pizza Mia
4. Rizzo's
5. Nick's

**?** What's your favorite Boston sports team?

The Class of 2019 loves the Patriots! In fact, everyone at WHS loves the Patriots. 288 students were absent on Feb. 5, when the Patriots held their victory parade.

**?** Do you plan on having children?

74.2% of seniors are planning to have children. That's a lot of diapers to change!

**?** Does pineapple belong on pizza?

67.1% said "Ew, no."  
32.9% said "Yes, delicious."

We were hoping to settle this debate once and for all, and the Class of 2019 voted definitively that pineapple does not belong on pizza. Sorry Hawaiian lovers!

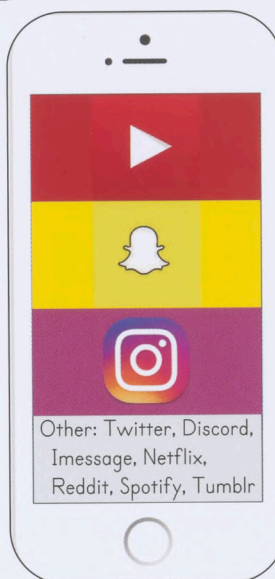

**? What's your favorite TV show?**

the office  
F.R.I.E.N.D.S  
the Vampire Diaries

## GREY'S ANATOMY

The Top 5 favorite TV shows for the Class of 2019 were The Office, Friends, The Vampire Diaries, and Grey's Anatomy. Seniors listed more than 58 different shows. That's a lot of binge-watching!

**? What app do you use the most?**

There's no doubt that members of the Class of 2019 love their cell phones. By far, the most popular app was Snapchat (37%), with Instagram (26%) and YouTube (9%) coming in second and third respectively. So, the next time you see a senior with a phone in their hand, you might want to ask them for their snap.

**? What's your favorite WHS lunch?**

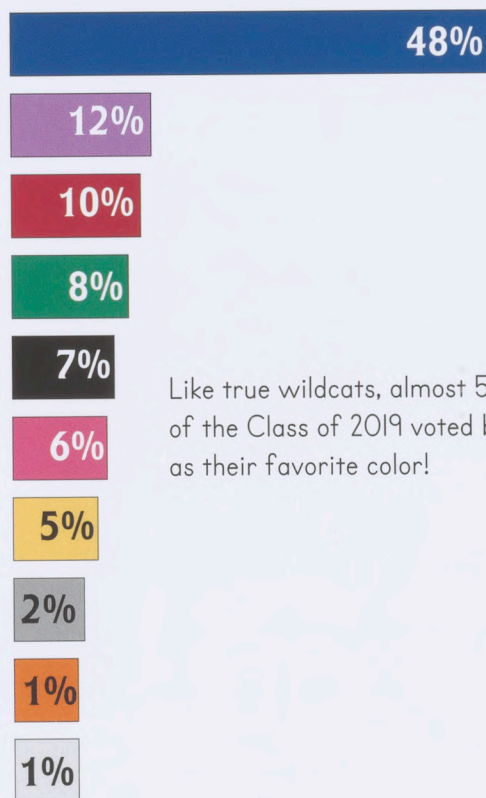

### 1. Mozzarella Sticks

2. Chipotle Day
3. Chicken Nuggets
4. Nachos
5. None

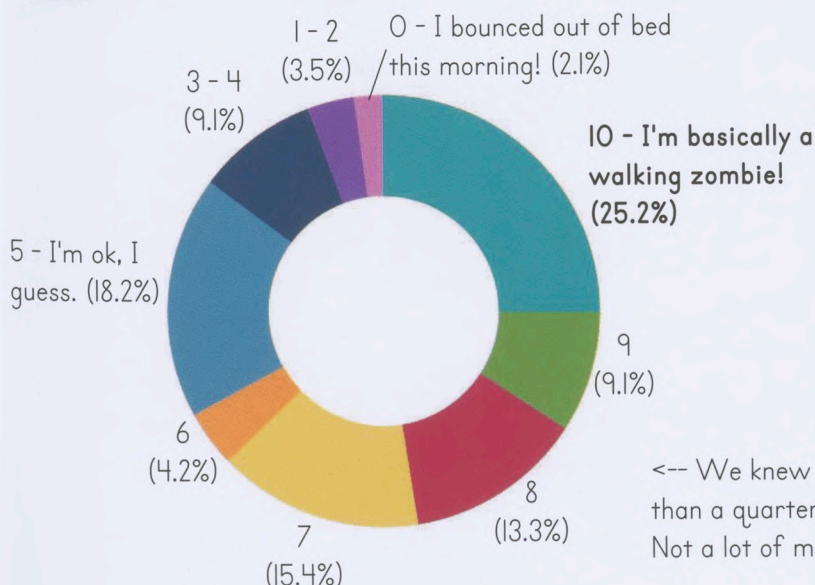

This one wasn't even close: mozzarella sticks won in a landslide. Yum!

**? What's your favorite color?**

Like true wildcats, almost 50% of the Class of 2019 voted blue as their favorite color!

**? On a scale of 1-10, how sleep deprived are you?**

<-- We knew our seniors were sleep-deprived, but more than a quarter of them said they feel like walking zombies. Not a lot of morning birds here!

The annual Mr and Miss WHS contest was a great success this year, with eight male contestants and three female contestants. The contestants had to compete in 3 categories: talent, school spirit, and interview. From a crowd-pleasing rendition of "What Can I Say Except You're Welcome?" by Troy and Joe, to a flag twirling performance by Ally and Hannah, and even a fake boxing match, the night was one to remember!

The objective of the festival is to celebrate and promote awareness of the various cultures that represent the population at WHS and those that hold a special interest in the hearts of our students. Twenty-seven countries were represented at this year's fest.

Student groups also performed music and dancing. The evening ended with a performance by a Haitian dance group, Jean Appolon Expressions.

# Badminton Tournament

On November 7, 2018, Mrs. Nardo and the Racquetsports Club hosted a Badminton Tournament during W2. There were 12 staff teams competing against many student teams. The event raised over \$200 for the Anxiety and Depression Association of America.

Faculty participants: Mrs. Kuchar, Mrs. Nardo, Mrs. Estrada, Mrs. Veliz, Mrs. Martiniello, Mrs. Burns, Ms. Pietro, Mrs. Martell, Ms. Mandeville, Mrs. Ettinger, Mr. Brown, Mrs. Noack, Mr. Kligerman, Mr. Manchester, Mr. Carabello, Mr. Jones, Mr. Maloney, Mr. Altieri, Mr. Covelluzzi, Ms. Donahue, and Ms. Yang

We asked students how they spend their W2 time, and almost everyone said doing homework. But, W2 is also a time for great presentations and events.

This year, WHS hosted several events during W2, including SADD's Teen Driving Experience with Mrs. Nardo, a presentation from Brady's Foundation about addiction prevention, a demonstration from MIT's Chemistry Outreach Group, and therapy dog visits with the Guidance Office. Take a look at what's happening!

Dear Class of 2020,

We are so thankful to have the opportunity to be your class officers again. This year has been hard, we all know junior year is your most important year, but we made it through! The four of us are so proud of everything that has been accomplished this year. Thank you for always doing your best and constantly putting your best foot forward. All of you are growing into responsible young adults and we couldn't be happier. Next year, we'll be the seniors in school and it's up to us to be the role models. We have faith that next year will be another great year. Thank you again for allowing us to have this opportunity and thank you for a great year, we are so excited for next year!!!

Yearbook publishing information

The 2019 Hourglass was produced by the yearbook staff at Wilmington High School in Wilmington, MA and printed by Walsworth Publishing. We would like to thank Alex Wilson and Cheryl Ball at Walsworth for helping us make our ideas come to life. This edition of the Hourglass is 160 pages. 240 copies were sold at an average price of \$85. There were several fonts used throughout the book, including *Sacramento*, **Flanders**, and Primer Print.

The cover was designed by Dennis Rooney, Brandon Cheng, Chase Andersen, Irene Wang, Jason Kanihan, Kiara Nadeau, Ashley MacGilvray, Nick Sullivan, Stephen Smolinsky, Anja Jensen, Annabelle Kane, Rita Roche, and Bella Kieran. Ms. Dickerson determined the color scheme, sticking with the traditional blue (4700), white, and black while emphasizing the senior section in lighter blue.

Photos were supplied via Prestige Portraits and Lifetouch, the Walsworth SnapApp, students (including Emily Hill, Joshua Williams, Sophia Novak, Cam Willis, Cam Martin, Stephen Anthony, Tori Sheehan, Ben DeSantis, Cassidy Collins, Sam Marzi, Troy Riekstins, Celia Marchese, Michael Smolinsky, Mindy Duggan, Joe Wilson, Mark Rogomentich, Lexi Williams), and Ms. Dickerson

The staff would like to thank Cheryl Tavares, Heather Paonessa, and the Athletic Department for their help with the athletic information, and the WHS club advisors for their help gathering club pictures and information. Many thanks to Dan Fionte for his help with superlative and staff photos, and Trish Volpe for her help with information gathering. We would also like to thank past advisors Jen Fidler, Julie Kelley, and Kate Durkin for their help and technical assistance.

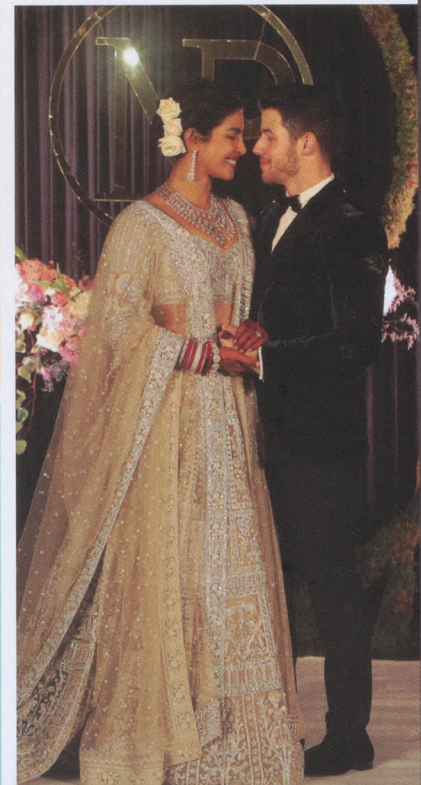

We offer our warm congratulations to the Class of 2019. Good luck!

## Rise from the Ashes

Sorting through the ruins of his former home, Lou Donnelly, left, and his brother-in-law, Donald Weeks, find little remains after the Camp Fire blazed through Paradise, California, in November. The fire, which was California's largest, deadliest and more destructive than the previous seven most destructive fires combined, cost at least 85 people their lives and displaced more than 250,000. Many remained missing as rescue crews continued their search. The Camp Fire burned concurrently with the Woolsey and Hill Fires in Southern California.

## Rain, Rain, Go Away

Hurricane season brings two particularly destructive hurricanes to the eastern coast. Hurricane Florence made landfall in North Carolina in September, bringing record-shattering rain and flooding, while October's Hurricane Michael, characterized by heavy winds, was the strongest storm to ever hit the panhandle of Florida. The storms killed more than 90 people and caused billions of dollars in damage.

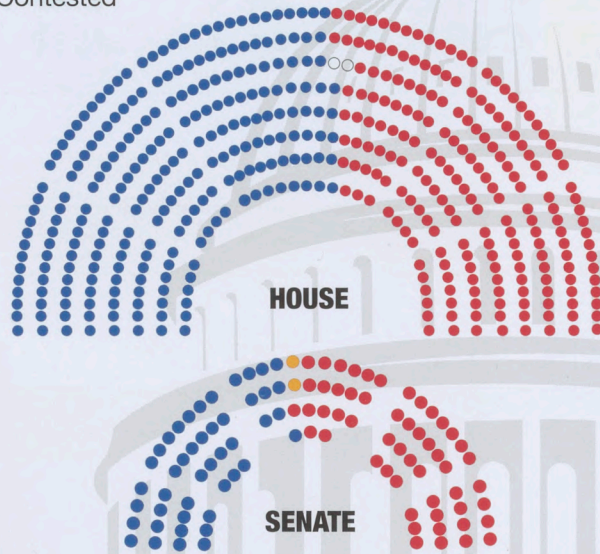

## Stalemate

As the government shutdown stretched on to become the longest in U.S. history, "We're Closed" signs became increasingly common, as seen at the National Zoo and other popular attractions. Over 800,000 federal workers were affected, not including government contractors, when an agreement on funding could not be reached. Those categorized as essential personnel worked without pay while those categorized as non-essential were furloughed starting in December.

## Count Me In

The 2018 midterms see the highest turnout in over a century, fueled by a polarized political climate and heightened voter enthusiasm. Democrats easily regained control of the House but failed to win back the Senate, with Republicans gaining two seats to strengthen their hold. A record number of women and people of color won seats, making this the most diverse Congress ever. Nancy Pelosi, the first female speaker of the House, made history by becoming the first person in over 60 years to be reelected after leaving the position.

## Royal Delivery

American actress/activist-turned British Royal Meghan Markle, Duchess of Sussex, sports her baby bump. Just five months after her wedding to Prince Harry, Duke of Sussex, in May 2018, Kensington Palace announced the couple was expecting their first child, due in the spring of 2019, with all members of the royal family reportedly delighted by the happy news. Regardless of gender, the baby will be seventh in line to the throne.

## Finding Your Balance

A baby goat brings smiles and practices its own balance while perched on an enthusiast's back. With millions of Americans trying yoga each year and more than two million goats in the United States, it was only a matter of time before someone put them together. Though its origins are somewhat murky, the goat yoga trend spread quickly, offering a good time to human and caprine practitioners.

## Fighting for Our Future

Levi Draheim, 11, speaks at a climate change rally in Eugene, Oregon. Draheim was one of 21 young plaintiffs suing the United States government for failing to protect the Earth from the effects of climate change. In *Juliana v. United States*, petitioners claimed the promotion of fossil fuels threatens the survival of future generations.

## The End of an Era

As the American public pays their final respects to former president George H.W. Bush, the 41st president of the United States, he is also mourned by his service dog, Sully. Bush died Nov. 30, 2018. The year was marked by two major political losses. Senator John McCain died Aug. 25, 2018, from brain cancer. Both Bush and McCain made significant marks during their time in office and were widely mourned by both Democrats and Republicans.

## A New Justice

Filling the second vacancy of his presidency, President Donald Trump watches as Judge Brett Kavanaugh is symbolically sworn in by retired Supreme Court Justice Anthony Kennedy with Kavanaugh's wife, Ashley, and daughters, Liza and Margaret, by his side. The ceremony took place shortly after Kavanaugh was confirmed by a Senate majority vote, becoming the 114th justice in the nation's history.

## #Blessed

Overcome with emotion, Howard University senior Mya Thompson reacts to Alfred Street Baptist Church's surprise announcement they are paying her tuition and fees balance. The church, one of the nation's oldest African American congregations, donated \$100,000 to Howard University, distributed to 34 graduating seniors. They raised the money during a church-wide prayer and fasting campaign where members gave offerings for a community cause, including \$50,000 for Bennett College.\*

## A Narrow Rescue

Twelve boys and their coach are in good health after their rescue from a flooded cave in Thailand. The soccer team was trapped for more than two weeks after heavy rains blocked their way out. Thai Navy Seals swam through narrow passages to reach the boys in what they referred to as one of their most dangerous missions, even leading to one Navy Seal's death.

## "Not a Woman in Science"

The 2018 Nobel Prize in Physics was split, with half awarded to Arthur Ashkin, and the other half jointly to Gérard Mourou and Donna Strickland. The work of all three centers on laser physics, but Strickland received extra attention for being only the third woman to receive the prize in its 118-year history. In interviews following the announcement, she made it clear that she sees herself "as a scientist, not a woman in science."

## Truth in Journalism

"The Guardians and the War on Truth" rose to the top of TIME Magazine's Person of the Year. They were journalists whom world leaders and governments tried to silence. Four separate covers featured either slain Saudi journalist Jamal Khashoggi; Maria Ressa, founder of the online news site Rappler; the wives of Reuters reporters Kyaw Soe Oo and Wa Lone holding pictures of their husbands who are imprisoned in Myanmar for reporting on the killing of Rohingya Muslims; or the staff of the Capital Gazette in Washington, D.C., where a gunman opened fire. TIME chose them to highlight the importance of journalism in the world and the need for truth and accountability. A few other short-list candidates included separated families, Dr. Christine Blasey-Ford, Black Panther Director Ryan Coogler and March For Our Lives activists.

## A Marry Christmas Season

December becomes a month of “I do” for celebrities. Fans learned singer Nick Jonas and actress Priyanka Chopra wed in lavish dual Christian and Hindu ceremonies in India after a four-month engagement. Singer Miley Cyrus and fiancé Liam Hemsworth wed in an intimate home ceremony fans only discovered through their Instagram accounts. Both weddings followed the official confirmation in November that singer Justin Bieber wed model Hailey Baldwin.

## The New Playground

The hugely popular game Fortnite: Battle Royale continues to be a hit with children and teens, garnering over 200 million users worldwide. Groups of 100 battled virtually on an island where they fought to be the last player standing while avatars dressed in costumes and pulled out dance moves. The free download allowed users to collect weapons and resources as they played individually or in groups across multiple platforms.

## A Pantone Year of Fashion

Supermodel Ashley Graham, recently named Fashion Force of the Year by Daily Front Row during New York Fashion Week for her body positivity activism, shows off some of the year's hottest fashion trends, such as neon colors. Neons and corals were seen everywhere from celebrity fashion to Pantone® Colors of the Year. Other popular trends included distressed denim, crop tops and tube tops, waist bags a.k.a. fanny packs, scrunchies, expensive athletic shoes, vintage-style glasses with semi-translucent frames, bike shorts and cargo pants, with many nods to early 90s fashion.

## Battle of the Ages

The NFL's two conference title games are notable for their quarterbacks: in both games, established longtime quarterbacks face off against NFL newcomers. The Los Angeles Rams, with 24-year-old quarterback Jared Goff, beat the New Orleans Saints and 40-year-old quarterback Drew Brees to secure the NFC championship. For the AFC championship, experience won out over youth, with the New England Patriots and 41-year-old quarterback Tom Brady beating the Kansas City Chiefs and 23-year-old quarterback Patrick Mahomes, who was named the 2018 NFL MVP. The 16- and 18-year age differences were the largest in any conference title game.

## Breaking Radio Silence

Scientists at the Canadian Hydrogen Intensity Mapping Experiment (CHIME) in British Columbia discover repeated radio blasts coming from space – 13 in three weeks and 6 in the same location. His actions were widely condemned by the worldwide scientific community for not following scientific protocol.

## Red Death

Toxic red tide, the nickname used to describe massive blooms of *Karenia brevis*, has a conservation team rushing to the aid of this sick sea turtle. The algae was naturally occurring, but runoff from cattle farms and residential development encouraged growth to dangerous amounts. A solution that tasted like blood mixed with an appetite suppressant drug left the mosquitoes disinterested in human feeding, giving hope it could be used in outdoor traps to help reduce the spread of the Zika virus, yellow fever and dengue.

## Seeing Red

November marks a major space exploration accomplishment as NASA's InSight spacecraft lands on Mars. The journey was especially tricky because InSight was too far away to pilot the landing, so the craft landed itself, slowing from 12,300 mph in 6.5 minutes. InSight embarked on a two-year geologic core study, which scientists hope will help them better understand why two rocky planets like Mars and Earth are so geologically different.
